

AP Chemistry Summer Assignment

Step 1: Check out a textbook from Mrs. Sparks (Room B218).

Step 2: Create an account at WebAssign.net. To do this, you will need the information listed below as well as a credit card to pay the \$10.50 fee for your account. If this fee is an issue, please come see Mrs. Sparks.

Instructor: Christine Sparks

Section: Block 1, Section 1

Class Key: lakewood.co 6288 1451

Step 3: Complete the Summer Assignment on WebAssign by August 17th, 11:59pm. This assignment is lengthy- please try to complete it over the course of the summer and NOT all at once the night it's due!

-These questions cover chapters 1-3 in the textbook. I would recommend skimming these chapters as you complete the questions!
