

Honors 10 Summer Assignment

In the first few weeks of school, we will use *The Great Gatsby* to introduce literary analysis. In preparation for next year, the Honors 10 English team would like you to do the following assignments:

- Read *The Great Gatsby* by F. Scott Fitzgerald.
- Annotate the text for Fitzgerald's use of **imagery**.
 - Consider how Fitzgerald uses imagery to serve the purpose of the text?
 - The ninth grade teachers taught annotation. Demonstrate your understanding of this skill. If you have questions regarding this part of the assignment, feel free to email one of the teachers.
- Prepare for a test over *The Great Gatsby*.
 - This test will assess your basic understanding of the text.

Also, we encourage, although do not require, you to purchase the following texts:

- *All the Pretty Horses* by Cormac McCarthy
- *The Grapes of Wrath* by John Steinbeck
- *The Things They Carried* by Tim O'Brien
- *Fences* by August Wilson

Have a fantastic summer.
