

# Immunization Medical Exemption Form

Colorado law C.R.S. § 25-4-902 requires all students attending any school in the state of Colorado to be vaccinated against certain vaccine-preventable diseases as established by Colorado Board of Health rule 6 CCR 1009-2, unless an official exemption form is filed. This law applies to students attending child care facilities licensed by the Colorado Department of Human Services, public, private and parochial kindergarten, elementary and secondary schools through 12<sup>th</sup> grade, and colleges or universities. Students with a recorded immunization exemption may be kept out of a child care facility or school during a disease outbreak; the length of time will vary depending on the type of disease and the circumstances of the outbreak.
